January 1st 2018

Dear esteemed patients,

**Happy New Year!** Thank you for your trust and dedication to your healing process with our practitioners at Revive Wellness Center, LLC and the Milford office of Dr. Artemis Morris, LLC throughout the past 15 years. It is a great honor to serve you and your families on your journey to optimal health.

There are some **changes in the new year for the Milford office of Dr. Artemis Morris LLC** that will allow me and my amazing colleague Dr. Kellyn Misset to serve you better. Starting in January 2018, the Milford location of Revive Wellness Center and Dr. Artemis Morris, LLC (**not the New Haven office of Revive Wellness Center**) will be renovated and revitalized as

**Artemis Wellness Center, LLC.** Artemis Wellness Center, LLC offers the same great care and services that you have been using plus additional transformative programs for women and their families, integrative medicine memberships, direct-care services, and online resources and modern technology to improve and empower your accessibility to health. Joining me in this new endeavor at Artemis Wellness Center LLC is my esteemed colleague and longtime friend Dr. Kellyn Misset. Dr. Kellyn Misset is a naturopathic physician and licensed acupuncturist who has spent the past 5 years practicing family medicine, gynecology, and pediatrics in Seattle, Washington. Dr. Misset will be offering holistic gynecological care and pap smears in addition to the other integrative services offered at Artemis Wellness Center, LLC. Please visit our website at [www.artemiswellnesscenter.com](http://www.artemiswellnesscenter.com) for more information and updates throughout the year.

What these changes mean for you:

Artemis Wellness Center, LLC in the Milford location will continue to provide you and your families with the best of modern medical practices combined with holistic healthcare, and there will be **changes that will allow Artemis Wellness Center, LLC to deliver integrative healthcare services to you more directly, confidentially, without 3rd party restrictions, and with additional benefits and modern technology.** Artemis Wellness Center, LLC provides direct care, programs, and packages to its esteemed members with the added benefit of deep discounts for established patients like you. We know that financial constraints are common these days and we value your choice in continuing your care with us, therefore, Artemis Wellness Center has designed a special offer for patients that are already established in our practice. Revive Wellness Center LLC in the New Haven location will continue to function in-network with the conventional insurance model.

How these changes work for you and your wallet: Moving into this new model of care means that we will be considered out-of-network providers. Instead of waiting to find out what's covered or not knowing how much you owe for services until it is billed, **you will avoid surprises and know the cost of care upfront, pay at the time of service, and receive statements to send to your insurance company for reimbursement.** Out-of-network reimbursement from insurers typically covers a significant portion of the cost of care - [call your insurance company to find out](#)

[about your out-of-network benefits](#). The specific amount of this reimbursement depends on your plan, and your insurer will be able to tell you exactly what this reimbursement would be. As usual, **your payments at Artemis Wellness Center, LLC may be applied to your deductibles and you may use your health savings account or flexible spending account to pay for services and supplements. As an out-of-network provider, many of the same lab coverages you have had still apply.**

See our full list of services, programs, and packages for 2018 [www.artemiswellnesscenter.com](http://www.artemiswellnesscenter.com). The **ADDITIONAL BENEFITS** to you with our model of improved out-of-network care at Artemis Wellness Center, LLC includes:

- **MORE AND BETTER QUALITY TIME WITH YOUR DOCTOR.** Your doctor can spend more quality time with you rather than worrying about an insurance checklist that dictates fee for services.
- **TRANSPARENT FEES.** Your doctor's time, expertise, and reimbursement structure is transparent and honored without wondering when a bill will come for services not covered by 3rd party entities.
- **MORE CONFIDENTIALITY.** The information you share with your physician is guaranteed confidential and will not be submitted to 3rd party entities for approval nor entered into their pool of data that may come back to haunt you or hurt you.
- **DISCOUNTS.** Being out-of-network means that Artemis Wellness Center, LLC can provide discounts and special memberships and packages to their patients for affordable and streamlined care. *Check out our affordable and discounted memberships and specials only for established patients like you below.*
- **IMPROVED INDIVIDUALIZED CARE.** Being out-of-network means that Artemis Wellness Center, LLC can treat you the way you need to be treated as an individual in order to get better rather than the way a company that doesn't know you thinks you should be treated in order to be cost-effective.
- **ONLINE RESOURCES, PROGRAMS, PACKAGES, and SCHEDULING** will be offered at Artemis Wellness Center, LLC that provide greater access to your healthcare schedule and educational resources to help you in between office visits, in addition to membership packages that streamline your treatment plan and provide additional support for you and your family.
